A NOTE FROM THE PRINCIPAL

Yesterday, Mr Lane attended the annual Probus Award Ceremony when students from a small number of local schools are recognised for their special qualities such as diligence, compassion, care of others.

We were delighted to nominate Steven Bruerton and John Staines as our award winners this year. Steven and John are both Year 12 students of whom we are very proud. They are fine young men who work hard and always conduct themselves in a manner that makes us feel honoured to have them represent the school.

Congratulations to Steven and John and their wonderful families.

Regards,

Gwenda Williamson

Dear families,

Last month, I included the following survey in our newsletter. We have had a small number of replies with some great suggestions. We welcome your thoughts on the following two topics. Please feel free to make any suggestions or offer your thoughts on any other topics that are important to you. We will be very grateful for your feedback.

Therapy services can be provided by professionals such as Occupational Therapists, Speech Pathologists, Physiotherapists, Music therapists. The Department of Education and Communities does not provide these services and ADHC and Area Health Services are changing. What strategies could we put in place to continue to provide access to therapy services when students need these to access their learning at school?
Each day, teachers are continually teaching and closely supervising children at Glenvale School except when they are on their lunch and morning tea breaks and it is difficult to write anything except very brief notes to parents. How can the school provide families with improved communication opportunities between home and school and still provide this high level of support in the classroom?
Kindermusik classes enrolling now at The Piano Bug studio at Wyoming!

From dancing with your baby to hearing the notes of your child’s first composition, Kindermusik is that one special place where you and your child can play, sing, dance, and giggle together.

Enrol anytime and the first class is free! Every Tuesday, Wednesday, or Thursday $50 a month which includes music, activities and an ebook to enjoy with your little one at home! There is also a new theme every month!

Remember to send in your old mobile phones. Every phone, whether working or not, is worth money to the school. Your old phones have already raised much needed funds for Glenvale.
