Principal’s Message

We are about to start on an improved format for our newsletter which will give us more space for parent group news items, space for parents to include items they feel will be of interest to other families, space for teachers to include exciting news from their classroom. We will still include photos of children at work at school and taking part in special events, weekly assembly awards and articles or advertisements of activities that are relevant to people with a disability. It will come out fortnightly on even weeks of the term. This week is week 6, so the next newsletter will be in week 8 (21st March) and then in week 10 (4th April). We look forward to your feedback once we have tried the new newsletter for a little while. Feel free to send in items you wish us to consider for the newsletter.

Special swimming for the students at the North Entrance campus is finished and weekly activities have begun on that campus. Special swimming this week and next is for students at the Narara and Valley View sites. It is going really well. It is great to see students making so much progress and becoming much safer in the water. Weekly activities for Narara students will resume after Special Swimming. Many thanks to the volunteer drivers who have been driving the school buses to take the swimming groups to and from the swimming pools. With their help, we are able to run a shuttle service to and from the pool so that students are not sitting around at the pool for long periods waiting for another group to finish. We are very grateful for the volunteers’ support.

Regards
Gwenda Williamson

VOLUNTARY SCHOOL CONTRIBUTIONS

Every public school asks for a small contribution towards the many costs associated with education programs. At Glenvale we ask that parents contribute $25 per child each year. This has not changed for many years and is a very small contribution by comparison with other schools even though our costs can be much higher. Please consider sending in the $25 as soon as you are able to do so. Many thanks to those who have already done so.

All donations to the school over $2 are tax deductible as Glenvale is registered with the Australian Tax Office as a deductible gift recipient.
