A NOTE FROM THE PRINCIPAL

Thank you to all those generous people who have already donated to our very own 'grant a wish' appeal for one of our little boys. To date we have received $675.70. In case you missed it, I have reprinted our article about Harrison below. It is heartwarming to see so many of our families reaching out to help another family who are facing difficult times ahead. Please help if you feel able to do so.

Schools’ Tree Day was great fun as well as very educational for our students. Mrs Campbell organised the donated shrubs to be planted, senior students dug the holes and children from all over the Narara Campus planted plants and watered them in. Children will now tend the plants until they are established.

APPEAL FOR HELP FOR HARRISON

Room 15 at Narara is a delightful, happy classroom of little boys who are learning to talk, to read, to play, to count - all the things that little boys need to learn. It is a noisy, happy room of little ones who are loving learning.

Harrison, in Room 15, has very little sight. For some time now the family have known that he will lose his sight completely. Recently a tumour has been found behind his ‘bad’ eye and it is now affecting his ‘good’ eye. It will have to be removed this year. Regardless of whether or not the tumour is benign, Harrison is expected to be blind when he wakes from the surgery.

At school, Harrison is learning to use all of his other senses to assist in his preparation for when he must rely on these, but he does not know and would not understand what is happening. His family are doing everything they can to provide him with experiences that he can share with his family and, in doing so, keep those visual memories alive for him in the future.

Just like many children a dream is for Harrison to go, just once, to somewhere very special like Disneyland. Harrison’s family are not wealthy and do not have the resources to take him overseas so some extended family members are making enormous sacrifices so that Harrison can have a trip in an aeroplane and go to Disneyland before he has the surgery later in the year that will take the last of his sight.

Staff wish to help Harrison to have this holiday this year before it is too late. We are appealing, with Harrison’s mum’s permission, to our whole school community to help this happen.

If you have the means to do so, we would be very grateful if you could make a donation towards Harrison’s costs. Donations can be sent into school or deposited into our account BSB: 032 001 Account No: 145072 Ref: Harrison.

Staff at Glenvale selected students based on the progress they have made at school throughout the year so far. It was a great morning and I was very proud of our students. Congratulations to:
